------	---

Dear Parents,

We are aware that many of the wider School community, including grandparents, ex members of staff and friends read our Friday Notes and I would like to take this opportunity to wish you all a very Happy New Year. I hope that you have enjoyed the festivities and managed to spend time with loved ones, in our immediate area or further afield.

After a very busy week of training and preparation for the term ahead, the staff were very pleased to welcome the boys and girls back to School yesterday. Indeed, it is always a special moment when we open the School gates at the beginning of term. The boys and girls all looked very smart with many seemingly to have grown a good few centimetres! Christmas already seems a bit of a distant memory and it does not seem possible that New Year was only a week ago. School is buzzing and the boys and girls are quickly settling back into the routine that the timetable provides.

The change in weather and the chilly start to the term have certainly blown any cobwebs away. Although, the boys and girls generally do not feel the cold as much as the staff, they do need to bring their cardigan or jumper and coat to School every day. We are following the Government's guidelines for good ventilation in schools and so you may wish that your daughter / son wears an additional warm layer under their uniform. Thank you.

Congratulations go to Mrs Marshall and her team on securing the Gold award for "Eat Out Eat Well," which recognises caterers who provide a wide range of healthy choices in the food they prepare. We are very proud to have received the accolade, especially as so few have been awarded in the local area.

We look forward to seeing you at the gate on Monday morning, ready for the first full week of term.

Mrs Jane Whittingham

WEEK'S MENU FOR w/c 10th January 2022
